

LiPOWER Battery Pack 18 V – 2.0 Ah

Artikelnummer: S000500068

Product image may differ from the actual item

- + Battery capacity: 2.0 Ah
- + Battery voltage: 18 V
- + Battery technology: LiPOWER
- + Energy: 36 Wh

The CAS Battery Pack 18 V 2.0 Ah within the CAS system combines a compact design with reliable performance – making it ideal for everyday use with BECK cordless nailers and staplers. Equipped with advanced LiPOWER technology, it delivers consistent power output and solid runtimes while effectively minimizing heat generation. An intelligent battery management system protects against overload and ensures long-term durability. With full compatibility across all 18 V tools and chargers within the CAS system, this battery pack offers maximum efficiency and flexibility for professionals in construction and the skilled trades.
