FASCO®
A BECK brand

FASCO® FA/FM 35 BOX STAPLER

TOOL FEATURES

- Fast, high-performance tool for sealing cartons
- Adjustable staple height and bend
- Robust tool for consistently strong performance — even after prolonged use
- Extra-long magazine

CARTON STAPLES

- Specially wide-flattened staples provide a large contact area on the carton
- The improved holding power of the staples prevents tearing through the carton

FASCO® BOX STAPLER

- FA 35-15/18
- FA 35-18/22
- FM 35-15/18

DESCRIPTION

FASCO® carton staplers provide a robust and reliable solution for sealing cartons in industry, logistics, and packaging. They ensure secure, fast, and efficient sealing of corrugated cartons and provide strong hold, even for heavy or bulky packages. Thanks to their ergonomic design, they allow comfortable operation and high productivity. With their precise stapling technology, they are ideal for professional use in shipping, warehousing, and production.
