### BENEFITS FOR PROFESSIONALS

- + Precise fastening with high driving power
- + Tool-free depth adjustment
- + Belt hook for convenient carrying
- + Dry Fire Lock
- + No cables, no hoses – complete freedom of movement
- + No gas, no follow-up costs
- + Low maintenance
- + Firing speed of 3 shots per second for efficient operation

### DESCRIPTION

The BECK 30 - 34° Cordless Framing Nailer combines the full power of a pneumatic nailer with the freedom of cordless hand tools. Ideal for demanding applications in timber and interior construction, it enables fast, powerful, and precise fastening with maximum freedom of movement. Its robust design, high driving power, and compatibility with CAS batteries make it a reliable tool for professional craftsmen who value performance, flexibility, and efficiency.
